

have much time to stop but I think the reading is reminding us of the tremendous power of a smile or of a kind gesture. We don't know what kind of day the other person is having or what may be going on in their lives.

The Season of Lent begins this Wednesday March 6th. In his message for Lent this year, Pope Francis tells us that: *"Each year, through Mother Church, God gives us this joyful season when we prepare to celebrate the paschal mystery with mind and heart renewed... as we recall the great events that gave us new life in Christ"* (Preface of Lent I). *We can thus journey from Easter to Easter towards the fulfilment of the salvation we have already received as a result of Christ's paschal mystery – "for in hope we were saved" (Rom 8:24)."*

He adds: *"Let us not allow this season of grace to pass in vain! Let us ask God to help us set out on a path of true conversion. Let us leave behind our selfishness and self-absorption. Let us stand beside our brothers and sisters in need, sharing our spiritual and material goods with them. In this way, by concretely welcoming Christ's victory over sin and death into our lives, we will also radiate its transforming power to all of creation."*

Let us pray that this Season of Lent will be a time of grace for us and an opportunity to reflect on the direction of our own lives. We can often spend a lot of time thinking about what we should "give up" and this is a good thing but we should also consider what else we might *do* which could include allowing more time for prayer, attending mass when we can, visiting people who may not have many people crossing their door and helping others in practical ways.

I wish you all a peaceful, reflective and prayerful Lent.

Eucharistic Adoration in Holy Child Oratory: Beginning on Ash Wed. 6th March, daily Adoration of the Blessed Sacrament will take place in the Oratory from after the 9.15a.m. Mass until 11.45a.m. This will continue from Monday to Friday throughout Lent and if sufficiently supported will continue indefinitely. During Lent members of the Diocesan Apostolate of Perpetual Eucharistic Devotion will visit the Parish and speak of their experience of the benefits of frequent Eucharistic Adoration in the life of many parishes. They will also advise on how to organise the Adoration. Meanwhile, would you consider spending a little time with Jesus in Eucharistic Adoration during Lent? It could be for a few minutes or an hour daily or weekly depending on your commitments. Maybe this is Jesus's personal invitation to you to enter into a deeper intimacy with Him during Lent.

"Compassion is when we can walk in another's shoes"

3rd March 2019

In our Gospel reading today, Jesus tells us that:

"A good man draws what is good from the store of goodness in his heart... For a man's words flow out of what fills his heart."

Reflecting on today's Gospel, Father Donal Neary makes the following points: *"A compassionate heart reaches out to many; the Gospel today reaches beyond our own circle to reach many others. This will be the constant call of Jesus. When he wants to say what His father is like he says 'Be compassionate like him.'"*

He goes on to explain: *"Compassion is when we can walk in another's shoes, and try to see, hear and feel the world of another, particularly in bad times. It flows from mercy, which is the biggest quality in Jesus."*

The Augustinian writer, Father Kieran O'Mahony tells us that: *"This parable invites us to examine the motivation behind what we do. If our basic motivation is love, then our lives will bear good fruit. If love is absent from our lives then the fruits will be conflict,*

disharmony and abuse of people for our own selfish ends."

Father Kieran O'Mahony concludes his reflection with this prayer: *"O God, our teacher and judge, hear our prayer as we gather at the table of your word. Enrich our hearts with the goodness of your wisdom and renew us from within, that all our actions, all our words, may bear the fruit of your transforming grace. We make our prayer through your Son, Jesus Christ, who lives and reigns with you in the unity of the Holy Spirit, God, for ever and ever. Amen."*

Our First Reading from the Book of Ecclesiasticus makes an interesting point: *"The kiln tests the work of the potter, the test of a man is in his conversation."*

When we meet people, we have an opportunity to influence them for the better or the worse. We might say a word of encouragement or perhaps of compassion. Or we might be abrupt with them and leave them with a bad impression of us. Of course, we could be in a hurry somewhere else and not

Criost Linn Prayer Group Meeting in Holy Child Oratory: "*Criost Linn is a spiritual community called to contemplate the presence of Jesus in the Holy Eucharist and to experience with Mary his love for us and for others through us*". It was founded and guided by the recently deceased Fr. Kevin Scallen CM and met for many years in All Hallows College which was managed by Fr. Kevin's Religious Community, the Vincentians. With their departure from All Hallows and the transfer of the College to DCU the local Criost Linn group have been looking for a new home. From Ash Wednesday 6th March they will meet each Wednesday in our Oratory from after 7pm. Mass until 9pm for Eucharistic Adoration, Scripture reading, reflection and sharing. All welcome.
 Directed by Gemma and Triona King.
